

ONLINE REGISTRATION AT WWW.ELKINSYMCA.COM

Register for Y programs, update your membership, see your account information and more – all from the convenience of home!

Existing Members/Program Participants

In order to complete your online account set-up, our system must have your correct birth date and zip code on file. If this information is not in our database, you will need to call the Y at 304-636-4515 or visit the front desk and provide staff with this information in order to gain access to your online account.

1. From the program page, click **"Find My Account"**.
2. **Enter the last name, birth date (MM/DD/YYYY format), and zip code associated with your YMCA account and click submit.**
3. **Verify your account** with either the email address, or billing method information, on file with your existing YMCA account. NOTE: If you do not have an email on file with your member record, or if your email address is associated with more than one membership record, your online account will not be able to be verified via email and you will need to call the Y to complete this process. We recommend you do not create a new account as it will create a duplicate record and not be synced with your existing YMCA account.
4. **If you choose to verify your account using your billing information**, you will be prompted to create your online account by entering an email address and choosing a password in the next pop-up screen.
5. **If you choose to verify your account using your email address**, a password re-set link will be sent to your account email address. Follow the link in this email to set your account password and complete the online activation process. Now, you can log-in and begin searching and registering for programs.
